Avery Pearson, BA 2024

Being a part of the Art History program was the best decision I made in my education at Utah State. Each course I took was incredibly comprehensive, well formatted, and taught me many skills that I have been able to apply to my current job. During the summer of 2022, I was given the opportunity to spend a month in Italy with the study abroad program directed by Drs. Laura Gelfand, Alvaro Ibarra, and David Wall. The experience allowed me to gain a deeper understanding of the works we studied in class, and to learn more about the culture and the places the artists worked and lived. If I had to go back in time and do school all over again, I would always choose to be a part of the Art History program at USU!
