Virtual Maker Space (VMS) blossoms into three separate programs in the spring of 2021; Common Ground, Birch Creek, and Sunshine Terrace. All three groups will be serviced by Jeff Mather (Sculpture), Marquette Johnson (Texture Arts), Barry Stewart Mann (Drama), Stephanie R. White (Dance), Gerald Stropnick (Storytelling), Raymond Veon (Visual Arts). Jenna Coffin (Sculpture) and Taryn Sommers (Visual Arts), alum and undergraduate of the College of Arts & Sciences, have helped to organize and will also take part in presenting as part of the VMS program.
