Zines & 'Za

Pizza

NOVEMBER 3RD

3:30-5 PM

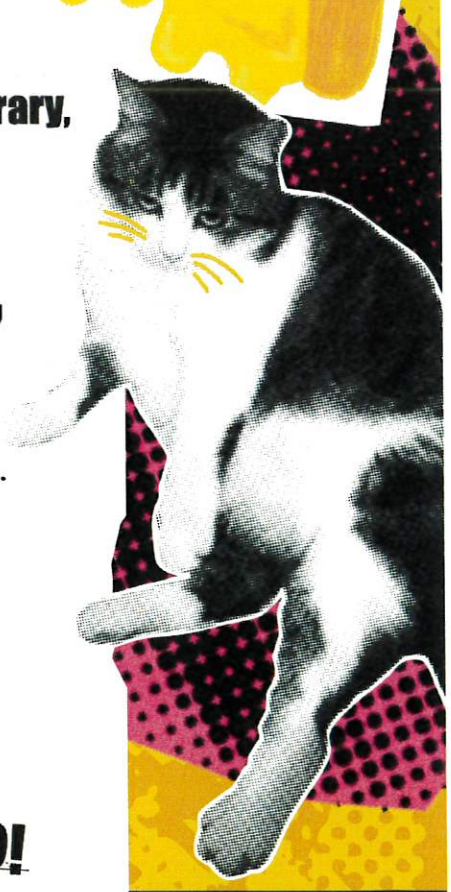

Merrill-Cazier Library, Innovation Hub

Whether you're looking to unwind, create something personal, or just grab a slice, this drop-in zine-making session is open to all USU students, faculty, and staff. Featuring a brief presentation from English Faculty member Dr. Adena Rivera-Dundas!

We'll provide the supplies. You bring the ideas. Zines can be about anything, and we'll have unique examples from Special Collections & Archives on hand to inspire you.

Come hungry for creativity (and pizza).
