

Helicon West Celebrates 20 Years

12/05/2025

Helicon West will be held Thursday, December 11 at 7 p.m. in the Logan Library's Community Room. It will be an all open mic reading, celebrating 20 years in Cache Valley. Students are encouraged to come share their work and enjoy this thriving literary community.

Since 2012, the Logan Library has hosted this beloved community reading series where anyone can share up to seven minutes of their own writings alongside established authors. Helicon West events are free, uncensored, and open to all. They're made possible with support from Logan Library, Sugar House Review, the USU English Department, Caffe Ibis, and a dedicated group of community volunteers.
