

**PHI ALPHA THETA (HISTORY HONORS SOCIETY)
DELTA XI CHAPTER
UTAH STATE UNIVERSITY
MEMBERSHIP REQUIREMENTS**

Phi Alpha Theta is an international History Honors Society. Delta Xi is the USU Chapter of this professional society. Through fun activities like our annual Fright Night, Student-Faculty mixers, movie viewings, and other events, we foster a community of students and teachers interested in history. Through membership in Phi Alpha Theta, students will make friends and grow their historical network. In addition to looking good on a resume, Phi Alpha Theta awards scholarships, encourages students to present at regional and national conferences, and accepts publications of historical papers in its journal.

You do not have to be a member to attend our events. We encourage students of all majors to participate in our events. However, access to scholarships, presentations at conferences, and publications of work are limited to Phi Alpha Theta members.

To join, review the Membership Requirements and pick up (or download) and application.
