Our annual Meet the New Faculty Lunchtime Series will be in-person and on Zoom. Current CHaSS faculty get the chance to meet our new faculty with the hope of increasing research and teaching collaboration across the college. Each new faculty member will give a brief (10 minute) informal presentation about their teaching and research interests, leaving plenty of time for discussion

Join the discussion at **Old Main 338** or on **Zoom** at the link provided in the email
