**Re:** 7-Week Section of USU 1010: Connections

---

Because the Aggie Marching Band Camp is held at the same time as the traditional USU 1010: Connections class, you may want to consider enrolling in a special 7-week version of the course.

These sections begin the same week as fall semester classes and end in mid-October. They are available especially for students who are unable to attend the pre-semester sections of Connections due to other University commitments. This interactive, informative, and fun class is a great way to meet other incoming students in addition to a mentor who works at USU and is directly interested in your success.

We recommend you add one of the following 2-credit sections of USU 1010: Connections to your schedule:

- CRN 42472 Section 97 M/W 12:30 – 2:00 pm
- CRN 42473 Section 98 M/W 12:30 – 2:00 pm
- CRN 47599 Section 104 M/W 11:30 – 1:00 pm
- CRN 47600 Section 105 T/R 7:30 am – 8:45 am

If a section is full, get on the waitlist and check your email daily for enrollment updates. It is possible that another section may be added.

A brief video about registering for Connections can be found by visiting <https://www.usu.edu/connections/logan/register>.

All sections cover the same curriculum designed to help you answer three questions:

- Why am I here?
- How do I best engage myself in the process of becoming an educated person?
- How do I become a fully engaged member of the university community?
