Bridges to Change

*Mind-Body Bridging®
Clinic for Domestic
Violence Offenders*

Beginning October 1!

The I-System Institute at USU is launching a program for individuals who have used violence with intimate partners. The clinic will serve as an intervention for adjudicated offenders to learn and use Mind-Body Bridging to address maladaptive behaviors.

- **Evening and weekend individual and group sessions available**
- **Cost for sessions is on a sliding scale**
- **Sessions will be over Zoom**

To register and pay for initial intake and evaluation scan here:
