Meet Brian Garrick!

He/Him/His

Brian Garrick is a 4th year undergraduate studying Design/Tech with an emphasis in lighting design. Brian did the sound design for "Spring Awakening" last semester. "I haven't had much interest in sound in the past, but the more I learn, the more I love it!"

"In a perfect world, I will be working for a company that is hired to design and produce shows from all over the world. I would love to live a life where I get to do what I love and spend more time with the people I love.

Fun Fact: This summer, Brian will be designing lights and projections for Lyric Rep's production of Break It Down.
