Meet Rachel Tillotson! (she/her)

Rachel Tillotson is a senior in the BFA Theatre Education (K-12 Certification) program.

"I'm studying theatre because there is something so beautiful in the collaboration of artists - and I have too many interests to just pick one thing. I can be a Jack-of-all-trades and still have more to learn in theatre."

Rachel designed and taught for the Behind the Scenes program, a summer theatre camp for students 12-18yrs. She assistant directed "Pussy Riot" and assistant stage managed "It's A Wonderful Life" at USU this fall and is stage managing "The Tempest" this spring.

"In an ideal world after graduation, I want to find a school that aligns with my values and where I can teach what I want and when - maybe that looks more like a conservatory right now, but I'm willing to go with the flow."

Fun fact: "I have a save in 'The Sims 4' that has seven generations."
