Meet Tina Chambers!

she/her

Tina is in her first year of BFA Theatre Education, third year at Utah State University.

"I am studying theatre because it is what I love. I think theatre is such an incredible way to help students feel welcome, and a way to express themselves. I want to create a space where students can feel like this in the future."

Tina currently helps with an after school theatre program for children ages 8-10 and 11-14.

"Ideally, I want to be a high school drama teacher, while providing music lessons and audition help on the side."

Fun Fact: "I love the movie "Cars" and have Lighting McQueen® crocs."
